

REMARKS

Applicant respectfully requests this Amendment under 37 C.F.R 1.312 be entered because it merely seeks to correct a grammatical error in the claim. The aforementioned grammatical error stemmed from an Examiner's Amendment that was issued on September 9, 2010, in which the term "statin" was replaced with "atorvastatin". The Applicant's Attorney had a telephonic conversation with the Examiner regarding the grammatical error and the Examiner recommended that a 37 C.F.R. 1.312 Amendment be submitted to correct the grammatical error. Applicant is complying with the Examiner's request. This amendment should not require any additional search. If there are any questions or concerns, please call the undersigned.

Respectfully submitted,

ANTOINETTE G. GIUGLIANO, P.C.
